*It's just a poem...And yes, I know it has a weird whitestripe effect, but I really don't know why...-
_- I tried a thousand other ways, and believe me, it didn't work*

1. The Secret World

THE SECRET WORLD

Look
Into the eyes of your dream
See
The life of a stream
Feel
The tears, dripping off your face
Show
Your thoughts as a neverending maze
And search
For yourself
To see
The mirror of me
