1. It

IT

It,
a word or person?
It,
Alive or dead.

It,
Is a person
It,
Is its name.

It,
Wanders without touching the ground,
It,
Is on puppet strings.

It,
Died years ago,
It,
Was murdered.

It,
Did not pay, so
It,
Still wanders.

It,
Is being controlled,
It,
Controlled by hate.

It,

Has a puppet master,
It's,
Puppet master is her own hate.

It,
Will never be seen,
It,
Will wander forever.
