Jack's Song - What's this?

Summary: Jack sings his own version of "What's this?" from "The Nightmare Before Christmas." Be warned and afraid XD One-Shot, contains spoilers!

AN: My first "Lost" fic! And what kind of...! (laugh) I really enjoyed making this and I hope you'll have much fun reading this little thing. Have fun!

.....

What's this? What's this?
There're monster everywhere
What's this?
There's black smoke in the air
What's this?
I can't believe my eyes
I must be dreaming
Wake up Jack, this isn't fair!
What's this?

What's this? What's this?
There's something very weird
What's this?
Every man is getting a beard

What's this?
This place is full of
All this people mocking
Everybody seems so sadly
Have I possibly gone madly
What's this?
What's this?

There' re people playing golf here
Instead of going mad
There busy building shelter
Most of them are feeling glad

How can we still be here?
Oh I can't believe my eyes
And in myself I feel the sadness
Wandering in my mind

Oh look
What's this?
The pilot in a tree, he's dead
Why that looks so bizarre, and jucky
They're gathering around to make a plan
Burning corpses on a fire
What's this?

What's this?
Oh dear, a French voice in the day, `hooray'
And who would ever think
And why?

Sawyer steals all the people's little things
Sayid is making things whit strings
And there's a smile on everyone
Can't they see what's going on?
What is so fun?
What is so fun?
Oh, the Korean caught some fish?
What's this?

Oh my, what now?
Locke has found a hatch
But hey, what would be the catch?
Not save? No certainty of what will wait and come

Or will save us, only polar bears
Await us on this island
What's this?

Some people are missing
And some answers can't be found
Good thing that there seems to be
Friendship all around

The French is nuts, I swear
She can hear voices in the air
The trails of Others and lies
Are absolutely everywhere

The fights, the sounds
There're everywhere and all around
I've never felled so lost before
The questions here inside of me are piling up
I simply want it all to stop

I want it, oh, I want it
Oh, I want it all to stop
I've got to know
I've got to know
What is this place that we have found?
What's this?!
